Your Step-by-Step Buying Roadmap

1

Get mortgage-ready

Before you fall in love with a home, talk to a local lender and get pre-approved. A pre-approval tells you your real budget and makes your offer credible to sellers.

2

Set your must-haves

Decide what matters most — bedrooms, yard, garage, commute, schools. Knowing your non-negotiables keeps the search focused.

3

Tour homes with your agent

Your Realty Link sets up showings, points out what a listing photo won't show you, and helps you compare homes objectively.

4

Make a strong offer

We prepare a comparative market analysis so you offer smart, and we structure the terms — earnest money, contingencies, timeline — to protect you.

5

Inspection and appraisal

A home inspection uncovers the condition; the lender's appraisal confirms value. We help you negotiate repairs or price if something turns up.

6

Final walk-through and closing

You confirm the home is in the agreed condition, then sign at closing and get your keys. We're with you every step to the finish line.
