Welcome to Danville

Danville is the Hendricks County seat, known for its picturesque courthouse square, the Mayberry Cafe, small-town charm, and highly regarded schools. Buyers are drawn here for Danville Community School Corporation, a strong sense of community, and everyday convenience — all within about 30 minutes to downtown Indianapolis via US-36 and I-74.

This guide walks you through what it actually takes to buy a home in Danville, from understanding the market to getting your keys.

The Danville Housing Market

Homes in Danville typically range from the \$230s to the \$400s, depending on size, age, location, and updates. You'll find everything from low-maintenance ranches and townhomes to two-story family homes and new construction.

Local tip: Online estimates miss the mark in Danville because condition and updates vary so much street to street. A local comparative market analysis is the only reliable way to know what a home is really worth.

Where to Live in Danville

A few of the areas Danville buyers ask about most:

- the historic courthouse square
- established in-town neighborhoods
- newer communities off US-36
- areas near Ellis Park

The right fit depends on your budget, commute, and lifestyle — we're happy to help you weigh the trade-offs.

Schools

Danville is served by the Danville Community School Corporation, one of the biggest reasons families put down roots here. If schools are a priority, we'll help you understand boundaries before you fall in love with a specific home.

Getting Around

Danville sits about 30 minutes to downtown Indianapolis via US-36 and I-74, making it a practical choice for commuters while keeping shopping, dining, and parks close to home.

Your Step-by-Step Buying Roadmap

1

Get mortgage-ready

Before you fall in love with a home, talk to a local lender and get pre-approved. A pre-approval tells you your real budget and makes your offer credible to sellers.

2

Set your must-haves

Decide what matters most — bedrooms, yard, garage, commute, schools. Knowing your non-negotiables keeps the search focused.

3

Tour homes with your agent

Your Realty Link sets up showings, points out what a listing photo won't show you, and helps you compare homes objectively.

4

Make a strong offer

We prepare a comparative market analysis so you offer smart, and we structure the terms — earnest money, contingencies, timeline — to protect you.

5

Inspection and appraisal

A home inspection uncovers the condition; the lender's appraisal confirms value. We help you negotiate repairs or price if something turns up.

6

Final walk-through and closing

You confirm the home is in the agreed condition, then sign at closing and get your keys. We're with you every step to the finish line.
