# Welcome to Morristown

---

Morristown is a Shelby County community known for its local character, Shelby Eastern Schools, and convenient access to the greater Indianapolis area. Buyers are drawn here for Shelby Eastern Schools, a strong sense of community, and everyday convenience — all within about 40 minutes to downtown Indianapolis.

This guide walks you through what it actually takes to buy a home in Morristown, from understanding the market to getting your keys.

## The Morristown Housing Market

---

Homes in Morristown typically range from the \$180s to the \$300s+, depending on size, age, location, and updates. You'll find everything from low-maintenance ranches and townhomes to two-story family homes and new construction.

**Local tip:** Online estimates miss the mark in Morristown because condition and updates vary so much street to street. A local comparative market analysis is the only reliable way to know what a home is really worth.

## Where to Live in Morristown

---

A few of the areas Morristown buyers ask about most:

- established neighborhoods near the town center
- newer subdivisions on the edge of town
- quiet residential streets close to the schools
- homes with a little more land just outside town

The right fit depends on your budget, commute, and lifestyle — we're happy to help you weigh the trade-offs.

## Schools

---

Morristown is served by Shelby Eastern Schools, one of the biggest reasons families put down roots here. If schools are a priority, we'll help you understand boundaries before you fall in love with a specific home.

## Getting Around

---

Morristown sits about 40 minutes to downtown Indianapolis, making it a practical choice for commuters while keeping shopping, dining, and parks close to home.

# Your Step-by-Step Buying Roadmap

---

1

## Get mortgage-ready

Before you fall in love with a home, talk to a local lender and get pre-approved. A pre-approval tells you your real budget and makes your offer credible to sellers.

2

## Set your must-haves

Decide what matters most — bedrooms, yard, garage, commute, schools. Knowing your non-negotiables keeps the search focused.

3

## Tour homes with your agent

Your Realty Link sets up showings, points out what a listing photo won't show you, and helps you compare homes objectively.

4

## Make a strong offer

We prepare a comparative market analysis so you offer smart, and we structure the terms — earnest money, contingencies, timeline — to protect you.

5

## Inspection and appraisal

A home inspection uncovers the condition; the lender's appraisal confirms value. We help you negotiate repairs or price if something turns up.

6

## Final walk-through and closing

You confirm the home is in the agreed condition, then sign at closing and get your keys. We're with you every step to the finish line.
